“I have immense respect for the dedication to public education that is shown daily by both educators and Board members.”

Andrea Slater Gulley brings a unique perspective to her practice, having spent the four years prior to joining Walsh Gallegos serving as in-house General Counsel for the Amarillo Independent School District.

Prior to working in-house for Amarillo ISD, Andrea was a shareholder in a private law firm. There, she focused on general education law, special education law, employment law, and local governmental entity law. Licensed to practice law in the State of Texas since 2004, Andrea was recognized as a “Texas Rising Star” by Texas Monthly each year from 2007 to 2015.

Andrea previously served as the Chair of the School Law Section of the State Bar of Texas and currently serves the University of Texas School Law Continuing Legal Education Planning Committee. She is also the President of the Amarillo Area Women’s Bar Association Board of Directors. In her free time, Andrea volunteers in animal rescue.
